Dear Simon Gait

We understand that Linden Homes has recently reached some kind of an agreement with the NRR about the Railway Land in Radstock.

As a group which is deeply committed to the future regeneration of Radstock, Radstock Action Group would welcome the opportunity to meet you at the earliest possible opportunity to talk about our town and our aims, and to hear what Linden Homes may be contemplating.

We look forward to hearing from you.

Yours sincerely

Amanda Leon  
Secretary, Radstock Action Group
